Industrial Waste water	: 80-85%

Aquacare's R-BOX system is available in capacities as 10 KLD, 20 KLD, 30 KLD, 50 KLD, 100 KLD 150 KLD 200 KLD & 250 KLD

Box Size - 20 -40 Ft (Easy to Ship Anywhere.....)

Key Features & Benefits

- Compact System
- Plug & Play
- Suitable - Fixed & Temporary usage
- Meets Regulatory Requirements
- Cost efficient in Capex & Opex
- Robust Design - with minimal maintenance
- Easy to change in location as per requirements

Advantages

- Environment Friendly - Meeting discharge norms
- Less Time for Installation - Ready to USE
- Handling emergencies
- Low Maintenance & Operating costs

Applications

- Desalination
- All type of Industries
- Commercial IT Parks
- Residential complexes, Towers
- Hotel & Restaurants, Hostels, Institutions, etc.
- Shopping malls, airports
- Hospitals & healthcare centers
